

# New 100-bed multi-speciality hospital in Gandhinagar

**B**holaram Educational Society opened a new 100-bed multi-speciality hospital in the Capital on Friday. The hospital is equipped to handle medical emergency in 160 villages surrounding Gandhinagar.

The hospital has ultra modern equipment like Colour Doppler, 2 D Echo, and Computerised X-Ray, ultrasound and in house laboratory like pathology, microbiology, histopathology and immunology for high end blood investigations.

The hospital will also have state of the art blood storage facility which has been introduced for the first time in Gandhinagar. "Now people of Gandhinagar and nearby villages do not have to rush to Ahmedabad for their medical problems," said Dr Divyesh Gupta of Goenka Hospital.
