Ahmedabad, the city of Ahmed Shah (Medieval ruler of Gujarat), is known for its rich past and its association with the Mohandas Karamchand Gandhi, also known as Mahatma Gandhi. The city offers a unique style of architecture which is a blend of Hindu and Islamic styles. The monuments of Ahmedabad date back to the 15th century. Ahmedabad has been known for its industry since medieval times. Presently, it is famous for its textile mills and is often referred to as 'Manchester of the East'.

Location

Ahmedabad city is located in the state of Gujarat, a western part of India. It is located along the Sabarmati River. Ahmedabad is 440 km north of Mumbai.
